MASTER OF SCIENCE IN MANAGEMENT

NOTRE DAME MSM PROGRAM | EMPLOYMENT REPORT 2023

LISA MICHAELS

Senior Associate Director

Mendoza Graduate Programs Career Development

“At Notre Dame Mendoza College of Business, we are excited to help our Specialized Master’s students **LEAD** (Learn, Engage, Act, Decide). Our career philosophy is centered around students’ learning about themselves and the marketplace, engaging with employers and alumni, taking action with personal branding and applications, and making decisions about their future endeavors. Through the Bridge to Success course and customized one-on-one coaching, our students are empowered to leverage their strengths, experiences, and values to maximize their potential for growing the good in business. The following metrics highlight the success of our past students and provide future students with a clearer understanding of what might be possible with their own career journey.”

Notre Dame’s Mendoza College of Business is uniquely positioned to develop leaders dedicated to growing the good in today’s business world. This employment report represents the hard work our students — these future leaders — put into their career development, creating opportunities that leverage their strengths, experiences and values to maximize positive impact.
